

Sonoff D1-2 Wire Splicing Connector Pack, connecting terminals, 54 pieces

The Sonoff D1-2 Quick Connector Set is the perfect solution for various cabling requirements. With 54 different connectors...

Product number SON-D12

Weight 0.455kg

Product description

The Sonoff D1-2 Quick Connector Set is the perfect solution for various cabling requirements. With 54 different connectors, it offers versatility for numerous electrical installations. Made from high-quality red copper and insulated with PC material, it ensures safety and durability.

Many possibilities

The Sonoff D1-2 set is designed for voltages up to 250 V and currents up to 32 A. It is suitable for solid conductors from 0.2 to 4 mm² (24-12 AWG) and flexible conductors from 0.2 to 2.5 mm² (24-14 AWG). Thanks to the wide range of connector types, they can be easily adapted to specific installation requirements.

Quick and easy installation

The Sonoff D1-2 quick connectors are designed for maximum simplicity and speed. The lever mechanism allows cables to be connected quickly, significantly reducing installation time. Technological innovations reduce wiring time by up to 70%, which is particularly advantageous for projects with many connections.

Multifunctional use

Thanks to the different types of quick connectors available, the Sonoff D1-2 kit can be used for a wide range of applications ? from domestic to industrial. It is ideal for connecting cables in junction boxes, switches, lamps, fans and other devices.

Safety and durability

The Sonoff D1-2 connectors offer a high level of safety and durability. The use of red copper as a contact material guarantees excellent conductivity, while the PC insulation protects against damage and ensures a long service life. The product is also CE-certified, which confirms compliance with European safety standards.

Scope of delivery

- 2x quick connector 3 In 6 Out
- 2x quick connectors 3 In 9 Out
- 6x quick connector 1 In 2 Out
- 4x quick connector 1 In 3 Out
- 4x quick connector 1 In 4 Out
- 4x quick connector 1 In 5 Out
- 4x quick connector 2 In 4 Out
- 4x quick connector 2 In 6 Out
- 14x quick connector 2 In 2 Out
- 10x quick connector 3 In 3 Out

Technical Data

Manufacturer: Sonoff	Sonoff
Model	D1_2
Rated voltage	250 V
Rated current	32 A
Contact material	Red copper
Insulation	PC
Solid conductor	0.2-4 mm ² (24-12 AWG)
Flexible conductors	0.2-2.5 mm ² (24-14 AWG)
Number of parts in the set	54

Product properties

Gross Weight (kg)	0.455
Zolltarifnummer	85369010
Country of Origin	China
VPE	1
Brand	Sonoff
Product ID	SON-D12
EAN	6920075740967
Manufacturer ID	D1_2
