

teslanol T7 insulating and protective lacquer / plastic spray | 400 ml

Teslanol insulating and protective lacquer spray for versatile use in electronic devices - 400 ml
Seals and insulates electronic devices...

Product number 26028

Weight 0.323kg

Product description

Teslanol insulating and protective lacquer spray
versatile use in electronic devices - 400 ml

- Seals and insulates electronic components and electrical systems
- Prevents leakage currents and short-circuits, eliminates fine short-circuits
- Protects surfaces from moisture and has a water-repellent effect
- Can be soldered through, resistant to acid, salt and condensation water
- Frequency and voltage stable (intrinsic resistance 22 kV at layer thickness 25 ?)
- Colours sprayed parts slightly blue for better visibility

Technical data

- Applications: Printed circuits, printed circuit boards and coils, furniture, signs and models, distributors, batteries and motors
- Filling quantity: 400 ml

Product properties

Zolltarifnummer	32082090
Gross Weight (kg)	0.323
Contents	400 ml
Country of Origin	Germany
Brand	teslanol
VPE	1 / 12
Product ID	26028
Manufacturer ID	26028
EAN	4040849260285
