Product description

Are you looking for a practical lamp for your tent? The Superfire T36 lamp is an excellent choice! It provides stable lighting that illuminates every room and more. It offers various lighting modes that you can freely adjust. You can also use the lamp as a power bank, e.g. to charge your smartphone while camping! It is also characterised by its waterproof design.

3lighting modes

Now you can adjust the lighting to your own preferences! With the camping lamp, you can choose between 3 lighting modes - white light, yellow light and combined light (yellow+white). You can also adjust the intensity of the lighting - simply turn the knob. This way, the device meets the needs of different users!

Sophisticated design

The T36 model is a combination of functionality and original design. The lamp is equipped with a practical handle that makes it easy to carry. You can also hang the lamp up conveniently, for example on a branch or in a tent. You can charge it conveniently with the built-in USB-C port. The lamp is also waterproof, so you don't have to be intimidated by rain!
