Product description

The Superfire M61 camping lantern with spotlight is the perfect solution for outdoor enthusiasts. This multifunctional device fulfils a wide range of needs - from illuminating a tent to exploring at night. Whether as a hanging camping lantern or a powerful torch, the Superfire M61 will live up to your expectations.

Versatility in your hands

The Superfire M61 can be used both as a hanging camping lantern and as a portable torch. Flexibility is paramount here. Simply turn the knob to switch the lantern on and off.

Emergency power bank

In addition to its lighting functions, the Superfire M61 also serves as an emergency power bank. Thanks to the USB-C charging port, you can power your phone or other electronic devices in critical situations.

Bright and customisable light

The lantern offers various light modes, including bright light, dimmed light, strobe light and camping light in white and yellow. This allows you to adjust the lighting according to your needs and the situation.

High performance and durability

With a brightness of 360 lumens and a lighting range of up to 350 metres, the Superfire M61 guarantees a long lighting duration of up to 6.5 hours. The powerful 18650mAh battery ensures that you can use the lantern for a long time without constant recharging.

Robust construction and weather resistance

The lantern is made of durable materials such as ABS and PC, which ensures its robustness under camping conditions. It also has an IP43 waterproof rating, which means it is protected against rain and splashing water - ideal for outdoor activities.
