**Weight** 0.017kg

## Product description

### Short description:

This High Speed HDMI cable with Ethernet by Delock with HDMI Micro-D connection is used to transfer data, such as videos, images, etc., via the HDMI Micro-D port. Thus, for example, the HDMI Micro-D interface of the smartphone can be converted into an HDMI-A port. The short cable puts less strain on the device connection than an adapter without a cable.
