Product number W222-412-1

Weight 0.003kg

Product description

Open the lever, insert the conductor, close the lever - done. The Series 222 connection terminal has always made the electrical installation of solid, fine and stranded conductors simple, fast and safe. Conductor cross-sections from 0.08 to 2.5 mm² - No problem!

Connection type:	Installation Quick-clamp
Electrical installation:	Spring clamp terminal
Cable cross-section:	0.08...2.5mm ²
Connector series:	222
Colour:	grey
Mechanical assembly:	for cables
Rated voltage:	400V
Rated current:	32A
Number of paths:	1
Number of connections:	2
Plug connector variant:	with lever
Manufacturer: WAGO:	WAGO

Product properties

Gross Weight (kg)	0.003
Zolltarifnummer	85369010
Contents	single
Country of Origin	Germany
VPE	1 / 50
EAN	4050821346470
Brand	WAGO
Manufacturer ID	222-412
Product ID	W222-412-1
