**Weight** 0.001kg

## Product description

**Tub connector, 40-pin, RM 2.54, straight - Reliable and precise connection**

The 40-pin straight version of the tub connector offers a precise pin spacing of 2.54 mm, ideal for dense packages on PCBs. It has two rows of 20 pins each, ensuring a reliable connection. The total height is approx. 12 mm with pin heights of approx. 3 and 6 mm.

### Features at a glance

- Pin configuration: Two pin rows with 20 pins each, 40 pins in total, for compact connections.
- Pin spacing: 2.54 mm (pitch), ensures precise spacing and compatibility with common PCB layouts.
- Housing dimensions: 8.70 x 58.5 mm, compact design for easy integration into existing systems.

### Technical specifications

- Number of pins: 40
- Design: straight
- Pin spacing: 2.54 mm
- Pin height: approx. 3 / 6 mm
- Total height: approx. 12 mm
- Housing dimensions: 8.70 x 58.5 mm

### Scope of delivery

- 1x socket connector, 40-pin, RM 2.54, straight

## Product properties
