Product number 65556

Weight 0.236kg

Product description

Goobay USB-C PD Multiport Fast Charger (100 W) White

A power adapter that provides peace of mind when it comes to fast charging. Get rid of annoying plugging and unplugging and cheap chargers that turn the charging process into a test of patience with old-fashioned technology. The compact, lightweight plug-in power supply is the ultimate companion for mobile life: With maximum power and minimum size, it charges even high-performance notebooks quickly and reliably with up to 100 W. The various USB ports offer full flexibility and the option to charge up to four devices simultaneously.

Features at a glance

- Powerful charging adapter with 100 W for high-performance laptops and up to three other USB devices
- Universal USB-C™ ports and additional USB-A for a wide range of devices
- GaN technology for faster, more efficient charging and a more compact design
- Power Delivery 3.0 for safe and dynamic charging
- Space-saving and flexible, replaces four individual chargers with USB-A and USB-C™ ports
- Compatible with popular smartphone brands and notebooks
