Product description

FIX&FASTEN fibre optic cable for LED, 3.3mm diameter, flat, straight, length 5mm, mounting hole 3mm

This fibre optic cable is an accessory for LEDs and enables parallel illumination. Thanks to its flat front and straight socket, the fibre optic cable is ideal for precise light transmission in various applications. The compact design and simple installation make it versatile, especially in electronics projects or as a display element in housings.

Features at a glance

- Fibre optic cable for LEDs with parallel illumination
- Round shape with flat front
- Straight socket for easy mounting
- Diameter of the mounting hole: 3 mm
- Front plate: Ø3.3 mm

Compatibility

- Suitable for LEDs of various types
- Can be used in housings with 3 mm mounting openings

Technical data

- Accessory type: Fibre optic cable for LED
- Front plate: Ø3.3 mm
- Shape: Round
- Front: Flat
- Socket: Straight
- Features: Parallel illumination
- Length: 5 mm
- Mounting hole diameter: 3 mm

Other data

- Suitable for use in electronics projects and DIY applications

Scope of delivery

- 1x fibre optic cable for LED, round, Ø3.3 mm front plate
