

seeed Grove - Servomotor

Artikel-Nr.:	SE-316010005
Hersteller:	seeed
Herkunftsland:	China
Zolltarifnummer:	84733020
Gewicht:	0.013 kg

The Servo motor is a rotary actuator that allows for precise control of angular position which makes them suitable for use in closed-loop systems where precise position control is needed and is commonly used in electronics. Grove - Servo is a bonus product for Grove lovers as we regulated the three-wire servo into a Grove standard connector. You can plug and play it as a typical Grove module now, without jumper wires clutter.
