

A black SMC S4303R servo motor is shown. It has a white label on top that reads "SMC S4303R" and "MADE IN CHINA". A red and black cable is connected to the servo, and a white label on the bottom of the servo reads "伺服失效" and "If Servo fails, it Remains".

The image shows a black Pololu 180A 5V brushless motor with a propeller attached. To its right is a disassembled motor with various components laid out, including a propeller, a gear, a stator, a rotor, and a coin for scale.
